

**SUC Stewardship Team Questionnaire ... we'd like to get to know you better ...**

If you could spend a whole day doing anything you love, what would it be?

Is there a skill or talent you have that most people don't know about?

What's one thing you would love to teach someone else?

Do you have a talent that you wish you could develop further?

What's something you've always wanted to learn or try but haven't had the chance yet?

What activities or events would you like to see more of at our church?

What talents or skills do you have that could contribute to the church? (e.g., teaching, graphic design, music, leadership, carpentry, event planning, etc.)

What would make you feel more connected to the church community?

What do you think SUC could do to reach more people in our local community or beyond?

Anything else you want to tell us...?
